Commissioner for Patents

As per the telephone conversation with Chad Copier on 9/28/05: In the Final Rejection, dated 6/29/05, the 102 rejection to Burgess (6,557,536) was in error. The examiner intended to employ Walker, Jr. (5,479,907) as the 102 reference. The Walker, Jr. reference was, however, cited on the 892 and employed in the following 103 rejection, so an additional copy of the 892 is not deemed to be required to be mailed to Applicant.

The period for response has been reset to one month of the mailing of this Office Action.
